FESTIVE SEASON 2023

IT'S GLAM SEASON!

Hello Guests,

What if this holiday season, you could have it all? Our first festive season is here after we welcomed our first guests on 1st of November and we'd love to celebrate with you! Where Castaway Meets Runway, the holidays at SO/ Maldives are all about glitz, glamour and style.

Join us on our avant-garde luxury island for a magically curated experience that can find you swimming with dolphins one day and taking part in fun Christmas games and crafts the next. Celebrate with bubbles at sunset on Christmas Eve, a floating champagne breakfast on Christmas day and lavish seafood platter on the 26th. And you won't want to miss our red-carpet-worthy NYE party ready for you to bring your glitz and glam.

After all the festivities, you can of course chill in style, too, with our ultimate wellness programme, sophisticated beach club and beautiful island setting with a stunning backdrop of the Indian Ocean. Dial your experience up or down depending on your mood. What is for sure, you'll be doing the holidays in style, your way, and we can't wait to welcome you.

Cheers!

Transformational Bodywork sessions are intuitive and fluid in nature and are customized to nurture your body, mind and spirit. In conjunction with therapeutic bodywork, Steve may incorporate different healing modalities into the sessions, depending on the unique needs of each individual. What the guest “brings” to a session generally determines his approach that day. The result can be fast, effective relief from pain and dysfunction while at the same time restoring the body and emotions to a state of balance. You will leave feeling like a new person.
